CAON

Caon arreda affonda le sue radici nella tradizione della cultura del design, nella qualità del materiale naturale e nella continua ricerca di nuovi valori. Ci siamo sempre contraddistinti, in Italia e all'estero, per i nostri prodotti curati nelle finiture e nei dettagli.

Il made in Italy, l'attenzione alle tendenze contemporanee, l'eleganza e la raffinatezza del legno, il profumo di sentire e di emozionare sono le linee guida che ci hanno ispirato per le nuove collezioni.

Appendere, appoggiare, dimenticare, arredare, completare, definire, accompagnare, accarezzare: oggetti garbati e delicati che imparano dal passato e vivono nella contemporaneità.

CAON

Caon arreda sinks its roots into the tradition of the design culture, in the quality of the natural materials and in the continuous research of new values. We have always distinguished ourselves, in Italy and abroad, thanks to our products, with their perfect finishes and details.

The "made in Italy", the attention for the contemporary trends, the elegance and the wood refinement, the capacity to excite, to feel the scent of it are the guidelines that inspired us for our new collections.

Hanging up, leaning, forgetting, furnishing, completing, defining, combining, caressing: these nice and delicate objects have learned from the past and live in the contemporaneity.
